Hello,

Your Supabase organization oscardevs (ID: avxythuhidmiycpntkng) has consumed its quota for this billing cycle. Requests to your projects are dropped until your quota refills during October 24, 2026.

Your usage (check [Usage Dashboard](#) for full details and [learn how to manage your usage](#)):

- Egress (Bandwidth): **19.67 GB** of 5.5 GB

You continue to have full access to your database through the dashboard while other services are restricted.

Upgrade to [Pro plan](#) to increase your usage quota now.

Learn more about [Fair Use Policy](#) and if you have any questions, [our support](#) is here to help you.

Best regards,
The Supabase Team

Supabase Inc, [3500 S. DuPont Highway](#) Kent 19901, Dover, Delaware, USA
